International laws including U.C.C.

§3-104- A NEGOTIABLE INSTRUMENT; 31 USC 3123-

Obligation to pay all debts by the U.S. Government incurred by all American Citizens; P.L. 73-10- United States Public Policy at House Joint Resolution, HJR, 192 of June 5, 1933, the straw man bankruptcy law; Geneva Convention, Article 75; and United Nations (UNCITRAL) Convention Articles,

including International law, the U.C.C. laws, the United States laws, and your State Constitutional laws the same as the mortgage promissory note security negotiable instrument and the Federal Reserve Note in the form of a \$1, \$5, \$10, \$20, \$50, and the \$100 dollar bill which is not actually a bill but a debt instrument, promise to pay just like the Promissory Note that is backed by the United States Government through you as human collateral and slave labor.

The Promissory Note has worked to pay off several home mortgages totaling \$3,954,387.59, auto loans totaling \$109,357.88, a \$57,957.88 IRS tax debt, student loans totaling \$198,884.16, Credit card debts totaling \$97,844.58, and is the only way you can pay your mortgage without using your own money under the U.C.C., USC, States law, Public Law 73-10, and the HJR 192 United States bankruptcy (Straw Man and Human Collateral) law of 5 June, 1933, and the United Nations Convention among other laws. This legal way to pay off your mortgage and other debts has been hidden from the people for over 79 years! Now, you've come forth to utilize this sacred knowledge.

If you're already in foreclosure, fill out a U.C.C.1 and U.C.C. 3 where you have paid the bank off in your foreclosure case with your court house through the Clerk of Court. The Promissory Note works on all bank loan debts also, because banks have accepted this form of legal tender of payment under U.C.C. code of world law.

HAVE COURT?

Fil out a U.C.C 1 and file it into your court case. By doing that, you are 'first in line, first in time' at filing a Superior Lien over your ESTATE before they do.

HOW TO HANDLE TRAFFIC TICKETS

The CITATION process can be handled much easier; through the mail. When a Police Officer issues you a CITATION, he is actually requesting you to CONTRACT with him! He is alleging that you violated a corporate regulation in writing, which you have accepted by signing and thus requires you to respond.

The Police Officer is instructed to explain that your signature is merely an acknowledgment that you received a copy of the CITATION but in actuality, your signature is notification to the Court and Judge that you have accepted or CONSENTED to this offer to CONTRACT, which also grants the Judge CONSENT; PERSONAM and SUBJECT MATTER jurisdiction over you and the case!

You can cancel that CONTRACT however by rescinding your CONSENT, within three business days of entering into such a CONTRACT. So across the face of the CITATION you should print or type in large print, the following words:

I DO NOT ACCEPT THIS OFFER TO CONTRACT

And I DO NOT CONSENT TO THESE PROCEEDINGS.

Use blue ink [for admiralty] or purple ink [for royalty]. Admiralty is the Court and Royalty represents your Sovereignty. Either way is appropriate. Sign your signature underneath in blue or purple ink and in front of a Notary and under your signature type: *Without prejudice, UCC 1-308*. This is another way to declare that you may not be held responsible for this contract pursuant to the Uniform Commercial Code. Serve Cancelled Citation back on the Clerk/Court, along with a Certificate of Service, by Certified Mail, Return Receipt Requested.

This kills the CITATION, removes your CONSENT and removes the JURISDICTION of the Court, all at the same time. It really is that simple!

NOTE: A Certificate of Service is a letter that first identifies the Citation and then defines how and when you returned the document to the Court and is signed. If not denied, it becomes a truth in commerce by Tacit Procuration.

Remember to keep a copy of everything, in case the Clerk attempts to trash your response, which certainly will not happen with a Certificate of Service or if it is mailed back by the Notary. The Notary is actually a Deputy Secretary of State and is more powerful than the Court Clerk!

Public Notaries originate from the time of the Egyptian and Roman Scribes who were the purveyors of certified documents, which are sworn affidavits. Certified documents and sworn affidavits are truth in commerce. [e.g.] Birth Certificates are certified documents on bonded paper. The word bonded is derived from bondage as in slavery, which makes all of us Bond Slaves to whoever retains custody of our original Birth Certificates. I bet you believed that the Emancipation Proclamation freed the slaves and it did for a short time and then the Birth Certificate and the 14th Amendment enslaved us all!
